Rising Cost of School Dinners

As you may be aware, the Education Authority has issued a directive regarding the increase cost of 50p per school dinner, which will take effect from January 2026.

This change reflects the higher cost of ingredients and food preparation. We understand that any increase in cost can be challenging for families and we want to reassure you that we remain committed to providing healthy, nutritious and affordable meals for all pupils.

Hometime Collection

To facilitate safe collection at home-time, can all parents go to the back playground as usual and remain there until the staff bring your children directly to you.

P1: 1.50pm

P2: 2.00pm

P3: 2.50pm

P4/P5: 3.00pm

P6/P7: 3.10pm

Please ensure an adult collects your child and not another child as staff must ensure safe handover.
